

# CAN YOU SPOT THE DIFFERENCE?

(answer below)

## Answer:

*Man number **ONE** completed a pistol shooting training course, passed a background check, and holds a license to carry a concealed gun in Florida.*

*Man number **TWO** has never fired a gun in his life. He bought his pistol at a bar last week without a background check. He was convicted of a violent felony last year.*

If Governor DeSantis gets his way, there will be nothing to stop the man on the right from carrying a loaded, hidden gun—**no questions asked**.

**Tell Gov. DeSantis NO on his “anyone with a gun” bill: 850-717-9337**
